

The National Institute for Environment and Development in Suriname (NIMOS) in collaboration with the United Nations Environment Program-Technical University of Denmark (DTU) Partnership

Invites interested parties to reflect on the following consultancy:

Develop a concept note for Suriname for the project idea 'Improving Irrigation Efficiency in the Agricultural Sector in combination with Water Harvesting and Storage' for submission to Green Climate Fund

In support of the The Technology Needs Assessment (TNA) Project

The Terms of Reference (TOR) for the abovementioned consultancy can be requested at info@nimos.org or downloaded from the following websites: www.nimos.org

The call for proposals will close on the **15th of October 2021 at 15:00h local time (20:00h CET)**.

The proposals can be send to:

The National Institute for Environment and Development in Suriname (NIMOS)
To the attention of the Program Management
Mr. Jagernath Lachmonstraat 100/Hoek Bersabalaan
Paramaribo-Suriname

Or by email: info@nimos.org

ONLY PROPOSALS THAT MEET THE REQUIRMENTS AS SPECIFIED IN THE Terms of Reference (ToR) WILL BE CONSIDERED.
